

Agenda 2030 for Sustainable Development

The UN's Global Agenda Until 2030

At the UN Summit in New York on September 25th to 27th, 2015 was presented their plan for, how to govern the world as of January 1st, 2016 to 2030.

All 193 UN member states accepted Agenda 2030 – the new agenda for *sustained development*.

The agenda is international in scope, and calls for action from *all countries*, irrespective of their economic progress. According to the document at hand, *nobody is to lag behind*. Indeed, Agenda 2030 encompasses a universal, transforming and integrating order signalling a historic, global turning point.

Pope Francis was present at UN Headquarters in New York in September 2015, when the UN celebrated its 70th anniversary – and when *Agenda 2030 for Sustainable Development* was put forward. He appealed to all nations in the world to sign the document.

This is the most comprehensive plan ever to have been put on the table, and one that all nations have accepted.

What does this new game plan amount to?

Answer:

This is the New World Order in practice. It will mean a Socialist, Catholic New World Order featuring

- More governance over countries and peoples

- Less freedom
- Higher taxes
- Free movement of goods and services
- Free movement of people
- Supervision at every level

Let us take a more specific look at, what this will entail:

They have determined 17 development goals and 169 general part objectives, which are to be developed further.

There is going to be peace and health for *all*. The plan is to change our globe, turning it into a new paradise, ensuring an earth with no climate changes, and people freed from poverty.

Agenda 2030 is a blue print of the New World Order.

All countries in the world are to carry out this plan, with nobody lagging behind. The rich are supposed to assist the poor, to be equally prosperous! ... Does this not sound good!

Here Are the 17 Development Goals in Summary:

Goal No. 1 Eradicating poverty in *all* its forms everywhere

Goal No. 2 Eradicating hunger, achieving a secure supply of food and improved nourishment, as well as promoting sustainable farming

Goal No. 3 Guaranteeing healthful living and promoting wellbeing for *all*, irrespective of age

Goal No. 4 Securing fair quality education for all and promoting possibilities for lifelong learning for *all*

Goal No. 5 Achieving equality between the sexes and *empowering all* women and girls

Goal No. 6 Achieving access to and sustainable management of waters and sanitary possibilities for *all*

Goal No. 7 Guaranteeing access to secure and sustainable energy at a reasonable price for *all*

Goal No. 8 Promoting rapid, complete and sustainable economic growth, full and productive employment and dignified work for *all*

Goal No. 9 Building a sustainable infrastructure, promoting complete and sustainable industrialization and fostering a culture of inventing

Goal No. 10 Reducing inequality within and between countries

Goal No. 11 Creating towns, cities and human habitations for *all*, that are secure, resilient and sustainable. ... Mass immigration

Goal No. 12 Securing sustainable models of consumption and production

Goal No. 13 Taking urgent action, to combat climate change and its consequences

Goal No. 14 Preserving and in a sustainable manner using the oceans and marine assets in a sustainable development

Goal No. 15 Protecting, restoring and promoting sustainable use of the earth's eco systems, managing forests in a sustainable way, combating the spread of deserts, as well as slowing down and reversing soil depletion and halting the loss of biological diversification

Goal No. 16 Providing access to justice for all and establishing effective, responsible and inclusive institutions at all levels

Peace, Peace, Peace

Goal No. 17 **Strengthening the procedures for executing the goals and resuming the global partnership for sustainable development**

On the surface, this sounds good – or does it not?... However, reality is completely different.

All countries on this planet are, thus, to strive to achieve 17 development goals and 169 general part goals for sustainable, global development. Let us also cast a glance at some of the 169 points:

These 169 points cover everything on Planet Earth. The leaders of all nations having signed this treaty, Agenda 2030, they have handed over their **authority to the UN in the fields of**

Education

The family

Property

Food

Health

Nourishment

Agriculture

Industry

Oceans, rivers and waters, including fisheries and oil

The air

The economy, etc.

... all are to fully respect – and adhere to – the UN's international laws.

Immigration is presented as something highly positive in the UN document. The UN is looking for regulated migration. The UN is calling the shots, and the nations are supposed to cooperate among themselves, and each and every country is to take care of any new immigrants.

In Article 29 it says:

« We recognize the positive contribution of migrants for ... sustainable development».

It is, moreover, stated in Article 29:

«29. We recognize the positive contribution of migrants for inclusive growth and sustainable development. We also recognize that international migration is a multi-dimensional reality of major relevance for the development of countries of origin, transit and destination, which requires coherent and comprehensive responses. We will

cooperate internationally to ensure safe, orderly and regular migration involving full respect for human rights and the humane treatment of migrants regardless of migration status, of refugees and of displaced persons. Such cooperation should also strengthen the resilience of communities hosting refugees, particularly in developing countries. We underline the right of migrants to return to their country of citizenship, and recall that States must ensure that their returning nationals are duly received.»

We read about problems of migration in several parts of the EU. Huge numbers of migrants are arriving, mostly from Syria, Iraq and Afghanistan.

Politicians are arguing back and forth. But listening to their arguments is almost laughable, because the plan has already been laid – in Agenda 2030.

Now the question is being asked:

Why have not all the political leaders in the various nations told their peoples that THEY have accepted Agenda 2030 – which allows for migration everywhere!

This agenda and migration policy have *been forced upon people, without their being told*, what the aim of the plan is. Why?

*Had the peoples been informed, before the UN member nations signed, there would have ensued anger, with demands for **referendums**. That, the UN and its member governments do not wish.*

Now there will be chaos in all nations – not least economic chaos, because this plan will be costly to carry forward, every country being obliged to pay thousands of millions, while an economic collapse is expected, the like of which the world has never experienced.

And who is going to foot the bill? Well, that is you and we!

There will be increased taxes and charges... plus many other strains put on – the people!

«Go to now, ye rich men, weep and howl for your miseries that shall come upon you. Your riches are corrupted, and your garments are moth-eaten. Your gold and silver is cankered; and the rust of them shall be a witness against you, and shall eat your flesh as it were fire. Ye have heaped treasure together for the last days.» James 5:1-3.

Every nation, according to Article 47, is to be responsible for implementing Agenda 2030, whereas the supervision hereof is to be conducted by the UN General Assembly through its Supreme Political Council and the Economic and Social Council.

Thus, the nations will become faithful subjects to the UN's set of laws, just like the EU member states are subservient to the EU's set of laws.

Do you believe in the UN promise – that its plan will *transform* our world for the better by 2030?

Now, what does *sustainable development* really mean?

Answer:

The UN and its supporters consider sustainable development as something more, than merely the method of achieving a cleaner environment. They consider sustainable development a tool to achieve a longed-for *New Order* for all lands in the whole world.

The environment is a perfect tool for the elite to employ, to achieve their version of a utopian society, since nearly all human activity impacts the environment in some way. At the end of the day they hope to centrally plan and rigorously regulate practically everything that we do, and we will be told this is necessary to «save the planet».

And they will never out themselves and openly call this a «New World Order," because «sustainable development» sounds so much nicer and will be readily accepted by the public.

What will this new system be like?

How do they intend to achieve this «utopia», that they are promising us?

Answer:

Deep down every person longs for a better world, a world without war, disease, death and pain. That is why people are longing for something better. According to the plans for the future of the global elite, the answer will be – Agenda 2030.

Agenda 2030 is the recipe for saving our planet – they believe. Do you believe so?

The promise is always the same – the elite have calculated, how they are going to achieve a perfect society, without poverty and war. In the end, though, these utopian efforts always mean the worst tyranny. The result will be slavery, like it was in Egypt and Babylon.

Ancient Babylon has turned into a *modern*, technocratic, global Babylon. People have been made apathetic, gradually being led into global Socialism/Communism/Catholicism. History is being repeated in front of our eyes.

What does the Bible have to say about the future? Will there be peace and happiness, with an end to poverty and destruction?

«And there shall be famines, and pestilences, and earthquakes, in divers places.»
Matthew 24:7.

«And ye shall hear of wars and rumours of wars... For nation shall rise against nation, and kingdom against kingdom». Matthew 24:6-7.

«And I saw three unclean spirits like frogs come out of the mouth of the **dragon**, and out of the mouth of the **beast**, and out of the mouth of the **false prophet**. For they are the **spirits of devils**, working miracles, which *go forth unto the kings of the earth and of the whole world*, to *gather them* to the battle of that great day of God Almighty.» Revelation 16:13-14.

Are we seeing this ... gathering now?

«For when they shall say, **Peace and safety**; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.» 1 Thessalonians 5:3.

Do not be fooled by Agenda 2030. Agenda 2030 is the blue print for a New World Order. Read [the document yourself](#), and you will quickly realise it is a document telling who is going to have power on this planet.

An international set of laws will have the pre-eminence over national laws. There we have it – *the Papacy and the UN quietly occupying all the nations of the earth* – roughly along the lines of the EU system occupying the nations of Europe.

The UN will *transform* our planet, but the *liberties* currently enjoyed, are not accepted in Agenda 2030. Now the global elite want every person on this earth to follow their agenda. Hence, there will be increased surveillance of the Internet and censure of blogs and the free communication in social media.

The press and all forms of *media* are to follow the agenda of the globalists.

There will be *strict rules and controls of everything*. Their solution always involves more *central planning* and *further control put into their OWN hands*, the aim being stronger globalisation and lessening of the sovereignty of nations. Do you think this is a sound transformation?

The starting shot for the implementation of Agenda 2030 will be fired on January 1st, 2016, the process to be finished by 2030.

The globalists are taking away people's fire arms, ensuring the least possible resistance and the greatest ease, with which to control everyone.

According to *The Patriot Act*, the set of laws coming on the heels of the tragedy at *The World Trade Center* on September 11th, 2001, they can jail persons without a trial and a sentence.

In the USA and Canada there are 800 prison camps/concentration camps, which are standing empty. For what, do you think, they will be used?

Pope Francis is rejoicing at Agenda 2030, and he is looking for action «here and now».

And the Obama Administration and the UN announced a global police force, to combat extremism in the USA (Breitbart, October 2nd, 2015). Pope Francis, moreover, wants an end to all forms of fundamentalism. He views fundamentalism as dangerous as terrorism. Bible believers who intend to hold fast to the Word and the Word alone in future, will, therefore, surely face trouble. Now those of the Vatican and the global elite are beginning to weed out them, who will not fit in the New World Order!

The Jesuit Malachi Martin wrote in his book *The Keys of This Blood*: It is a question of who will have and exercise the dual authority and control over each and every one of us as individuals and OVER ALL OF US AS A COMMUNITY... In the third millennium...

We can now see the Vatican following through with its plan, being assisted by the UN, the EU, the African Union, etc.

Revelation 13:3

«... and *all the world* wondered after the beast.»

«And the woman which thou sawest is that great city (Babylon), which reigneth over the kings of the earth.» Revelation 17:18.

«... for by thy sorceries were all nations deceived.» Revelation 18:23.

«And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast.» Revelation 17:12.

«These have one mind, and shall give their power and strength unto the beast.»
Revelation 17:13.

Ellen G. White comments on these verses thus:

“There will be a universal bond of union, one great harmony, a confederacy of Satan’s forces.” (E.G. White, Manuscript 24, 1891). The words *“and shall give their power and strength unto the beast”* are also noteworthy. The same author made the following comment:
“

Thus is manifested the same arbitrary, oppressive power against religious liberty, freedom to worship God according to the dictates of conscience, as was manifested by the papacy, when in the past it persecuted those who dared to refuse to conform with the religious rites and ceremonies of Romanism. In the warfare to be waged in the last days there will be united, in opposition to God’s people, all the corrupt powers that have apostatized from allegiance to the law of Jehovah. In this warfare the Sabbath of the fourth commandment will be the great point at issue; for in the Sabbath commandment the great Lawgiver identifies Himself as the Creator of the heavens and the earth.” (E.G. White, Maranatha, p.187).

We are at war. It will be a physical and a spiritual war. The Bible tells, in a few words, who the victor in the war will be:

«*These* (the ten horns = all the world's corrupt powers) *shall make war **with** the Lamb* (Christ), *and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful.*» Revelation 17:14.

We can now see that these prophecies are coming to fruition. All the powers of this world are now giving the UN the authority to govern all the globe, and the UN is executing the plan of the Vatican. The Vatican has very often used others to carry

forward its plans. The Bible also says that the whore (the Catholic Church) is responsible for the blood of the saints and the blood of all those who have been murdered on the earth. Revelation 18:24.

In their oath, the Jesuits promise to start wars and revolutions and to use all means, to crush Protestantism and the independent nations. (See the videon entitled ... at www.endtime.net *Pope Francis in the Vatican – a Jesuit*. We are experiencing this strategy both in Afghanistan, Iraq, Syria, and in other countries. The Bible, then, reveals that the Catholic Church has caused all the bloodshed on earth. They hide behind others, to realise their aims. Now they are doing the same thing through the UN, and we shall see what punishments and bloodbaths this Agenda 2030 will cause in a near future! For us, however, it is vital that we now humble ourselves before God, admit our sin and put our lives into the hands of the Lord. We need to have a pure heart and mind, so that God may join us in a very special way during these closing events.

The global brokers of power believe they will transform the planet according to their template. But they are decidedly wrong. They have forgotten about God, Who is watching it all. In the book of Daniel there is this revelation of the final outcome:

«And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever. Forasmuch as thou sawest that the stone was cut out of the mountain without hands, and that it brake in pieces the iron, the brass, the clay, the silver, and the gold; the great God hath made known to the king what shall come to pass hereafter». – Daniel 2:44-45.

It is Jesus, Who will come to set up His new Order. We read:

«So likewise ye, when ye shall see all these things, know that it is near, even at the doors.» Matthew 24:33.

«And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea.» Revelation 21:1.

«Nevertheless we, according to his promise, look for new heavens and a new earth, wherein dwelleth righteousness.» 2 Peter 3:13.

«Behold, he cometh with clouds; and every eye shall see him,». Revelation 1:7.

The harvest is ripe. Jesus is coming to reap His loyal people! Concerning this we read:

«And I looked, and behold a white cloud, and upon the cloud one sat like unto the Son of man, having on his head a golden crown, and in his hand a sharp sickle. And another angel came out of the temple, crying with a loud voice to him that sat on the cloud, Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the earth is ripe. And he that sat on the cloud thrust in his sickle on the earth; and the earth was reaped.» Revelation 14:14-16.

May you and we prepare for this event, which is rapidly approaching. The prophecies are being fulfilled right in front of our eyes, and Jesus is returning soon; hallelujah!

Yours very sincerely,

Abel and Bente Struksnes
