

Weekly Testimonies

From Lynn, Bastrop, Texas USA

About a month ago, my husband Michael and I drove into Austin to do some shopping. Before we left and during our way there, I prayed for angels to protect us from any accidents or injuries.

We were less than a mile from the store when a lady did not see me because she was distracted with her GPS and side swiped me. No one was hurt. The accident turned out to be her fault and her insurance had to pay.

I then wondered why we were in an accident when I prayed more than once for protection.

It turned out to be a blessing because we had bought the car only a couple of months prior and found out through the CarFax that it had been in a minor accident, a side swipe on the same side. When I brought my car to be fixed, the body shop called me and told me that the car had not been fixed correctly from the previous accident. So because of my accident, they were able to fix all the damage completely this time. They also found a nail in my tire and decided to put a new one on at the shop's expense because he did not know if it happened on their watch or mine. Praise God for all of His blessings!

From Benay, Kenya:

Dear beloved servants of God at RM,

Receive our greetings once again in Jesus our Lord. We had a good day on Friday at the radio and also had a good Sabbath day with brethren in different locations. We are encouraging Sabbath worship in homes and it is open to all who want to join. This has contributed to the success of home fellowships/churches and apart from our homes fellowships, we have places I have rented for Sabbath fellowships and still reaching souls in their homes who are obedience to the fourth commandment.

RM has the truth for these last days which must be carried to every soul. We know that times are hard and money is not plenty but the truth must be spread with every coin God is providing us. We are encouraged by servants of God that He will never let the faithful performance of duty go unrewarded (Psalms 126:6, 1 Corinthians 15:58).

Psa 126:6 “He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves *with him*.”

1Co 15:58 “Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in Lord.

(2 Peter 3:5-7), Just like Noah’s time, another storm is coming upon the earth and the earth will again be swept by the desolating wrath of God and sin and sinners will be destroyed. The fear of God is banished from the hearts of people and God’s laws are treated with less regard. The sins that were committed during Noah’s time exist today and there is no a clear understanding among Christian people of the relation of the law to the gospel. And this confusion of mind being championed by Satan’s agents has been taken advantage of the enemy of Truth to sow the seed of many errors. Errors that have lead people to worship God with false doctrines and sin exalted.

We take these opportunity dear servants of God at RM to thank you very much for the financial support. May God bless you for that desire you have to see this work succeed and souls saved. We can’t relax and we must bring to the attention of souls the truth and foundation pillars of our faith like, the truth about God (who God and Jesus are), the law of God including the seventh-day Sabbath, the faith of Jesus which includes His mission and His priesthood, the sanctuary message, the three angels’ messages with the fourth angel of Revelation 18, the testimony of Jesus (includes the spirit of prophecy), and the nature of man and also bringing to the attention of people the study about sin.

“Now is the time for all to work.... What will many answer in the day of God, when He inquires, What have ye done for Me, who gave My riches, My honor, My command, and My life to save you [124] from ruin? The do-nothings will be speechless in that day. They will see the sin of their neglect. They have robbed God of the service of a lifetime. They have not influenced any for good. They have not brought one soul to Jesus. They felt content to do nothing for the Master; and they meet no reward, but eternal loss. They perish with the wicked, although they professed to be followers of Christ.” — The Review and Herald, March

14, 1878.

We had another meeting of teachers to remind ourselves about our message and what to teach souls. I was able to get the bibles with your support. I bought 23 copies which I gave to brethren to help in their ministry. From left are Brother Ashton, Alias, Kennedy, Abraham, Francis, Robert and James. Elias and Kennedy got five bibles each, Ashton and Francis got four copies each and I remained with five copies. Your support also enabled me to support Abraham, James and Robert. They have sent their thanks.

This was on the Sabbath day. They worship on the Sabbath but still believe in the feasts and Sabbaths of Leviticus 23:4-44. We arranged that this week I will visit them for studies on Colossians 2:14-16, and Ephesians 2:14-16 as compared to Leviticus 23.

This was a group in the house of a brother in white shirt on Friday. He is called brother Otieno. He now believes in the Sabbath and his wife has also believed in the Sabbath. There is a Sabbath fellowship in their house every Sabbath day. The next brother in t-shirt is Brother Patrick who was an SDA member but a study on the truth about God opened his eyes on Godhead deception as taught by the SDA church. Next brother is Brother Robert who is an old man but full of zeal in his service to God.

This was our second meeting on the Sabbath in the house of brother Felix. Brother Felix has my bag. It is a good class of young people who love God and are eager to learn the way of life. Two of them don't have bibles and I promised them to get them a copy. It is a weekly Sabbath meeting I am determined to nurture them because their passion and zeal is encouraging.

Once again I say a big THANK YOU for your support. On Friday in the radio, God lead me to teach from Mathews 21:1-51. We are still following up brethren who are embracing the truth and advising them in truth as we continue to reach new people in different locations.

Thank you dear friends and the entire RM team.

It came to our church as well.

Please pray for us now. At the moment we are ok but many people are suffering with no food and water or medical supplies. Please pray for Indian mission work.

DEAR BREATHEN AT R.M

Greetings in the name of our lord Jesus Christ and savior

What should we learn from David's attitude in response to God's declaration? 2samuel 7:18-22

NOTE: David Knew That it would be an honor to his name and bring glory to his government to perform the work that he had purposed in heart to do but he was ready to submit his will to the will of God. The grateful resignation thus manifested is rarely seen even among Christians. How often do those who have passed the strength of manhood cling to the hope of accomplishing some great work upon which their heart are set. But which they are unfitted to perform with God's providence may speak to them, as did his prophets to David declaring that the work which they saw much be sure is not committed to them. It is theirs to prepare the way for another to accomplish it .but instead of grateful submitting to define direction, many fall back as slight and rejected, feeling that if they cannot do the one thing which they desire to do, they will do nothing many cling with desperate energy to responsibilities which they are incapable bearing vainly Endeavour to accomplish our work for which they are insufficient, while that which they might do lies neglect. And because of this lack of cooperation on their part the greater work is hindered or

frustrated.

Last week I met Brother Paul who is a pastor at African Divine Church at Makokhwe village after talking to him and I gave him some books.

My first time I met him; he was just walking on a highway to his home and we introduced ourselves to each other and a I told him that I am a bible teacher.

Brother Paul, “where do you stand”? I pressed him though he had told me that he was a pastor at Divine church in Africa. ‘Be sober, be vigilant because adversary the devil walks about like a roaring lion seeking whom he may devour(1 peter 5-8) At pastors home.

The above picture are some members (children). He has two of his children who are sons as he is also a polygamous father?

I never forget that thoughts work out actions. Repeated actions form habits and habits form characters and character determines where we stand. It is the only thing man posses that he will carry with him to heaven.

Inspiration states, “a character formed according to the divine likeness is the only treasure we can take from this world to the next those who are under instructions of Christ in this world will take every divine entertainment with them to the heavenly man’s sins and in heaven we are continually to improve. How important then is the development of character in this life.

“The heavenly intelligences will work with the human agent who seeks with determined faith that perfection of character which will reach out to perfection in action. To everyone engaged in this work, Christ says ‘I am at your right hand to help you. Christ object lessons 332.

It is Satan’s sole objective to prevent man from acquiring this treasure ‘a character formed according to the divine likeness’ and from standing under the blood sustained banner of Christ in this world so that can stand spotless on the shows of the crystal sea in the next.

How many fail to realize that he that we do indeed have an enemy who walks about us. A roaring lion seeking who he may devour.

NOTE: Satan cannot read our thoughts, but he can see over our actions, here our words and from his own knowledge of the human family he can shape his temptation to take advantage of our weak points of character.

MEETING IN THE HOUSE

TOPIC-GOD IS NOT MOCKED; and we have to stay (consider his law) always my prayer to the group.

Acts 4:29-32 “Now, Lord consider their treaties and enable your servants to speak your word with great boldness. (30) stretch out your hand to heal and to perform miraculous sight and wonders through the name of your holy servant Jesus.

(31) After they prayed, the place where they were meeting was shaken. And they were all filled with the holly spirit and spoke the word of God boldly

(32) All the believers were one in heart and mind. No one claimed that dug of his possessions was his own but they shared everything they had.

They received copies of literature books

I) Born sinners teachings examined

II) The human nature of Christ

To be discussed in the next meetingYours faithfully

God could have proclaimed His truth through sinless angels, but this is not His plan. He chooses human beings, men compassed with infirmity, as instruments in the working out of His designs {AA 330.2}

An old missionary that I knew many years ago in China told me that his *modus operandi* and marching orders was this quote.

“Christ’s method alone will give true success in reaching the people. The Saviour mingled with men as one who desired their good. He showed His sympathy for them, ministered to their needs, and won their confidence. Then He bade them, “Follow Me.” {MH 143.3}

5 steps to true success in reaching the people. I mentioned about crosswalk preaching while people were waiting at the red light for it to turn green. Did it again and decided to add one more element to the stratagem. Notice in the picture that there are trees at the 4 crosswalks and a round bench to sit on around each tree.

The two greatest sermons that Jesus ever preached are likely the Sermon on the Mount in Matt 5-7 and the sermon in Matt 24 and 25 in both of these Jesus sat down and taught the people.

Matt 5:1 “And seeing the multitudes, he went up into a mountain: and when he was set, his disciples came unto him: And he opened his mouth, and taught them, saying, Blessed [are] the

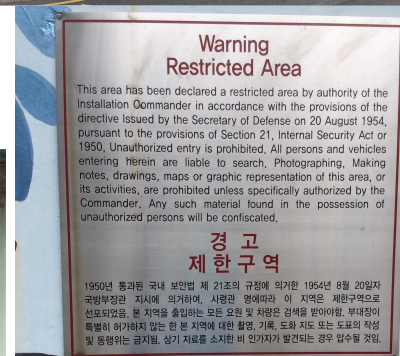

Mat 24:3 “And as he sat upon the mount of Olives, the disciples came unto him privately, saying, Tell us, when shall these things be? And what *shall be* the sign of thy coming, and of the end of the world?

Matt 26:55 “In that same hour said Jesus to the multitudes, Are ye come out as against a thief with swords and staves for to take me? I sat daily with you teaching in the temple, and ye laid no hold on me.

So anyway decided to sit down and teach, many students gathered around and then a sister named Ruby from the Philippines came and sat down to listen. She asked what church do you belong to so I told her SDA and she said her parents were SDA and they do not eat pork. We had a nice talk on spiritual things. Pray for Ruby. There is a cryptic charm in sitting like Jesus in public while speaking to the multitude.

Peradventure I might meet some of my own countrymen visited Camp Carroll a US military base here in Korea. See pictures. Outside of the base are many restaurants, pawn shops, knick knock shops, bars, beauty salons etc. Normally the soldiers are wandering the streets outside of the base and it is a good place to mingle with them and plant mustard seeds but because of CV-19 not too many soldiers are out but did meet a few. The soldiers I met are soldiers for the country that has two horns like a lamb and speaks like a dragon. We are also soldiers.

2 Tim 2:1 “Thou therefore, my son, be strong in the grace that is in Christ Jesus.
2:2 And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also.
2:3 Thou therefore endure hardness, as a good soldier of Jesus Christ.”

Bula and good morning brother Neville and God be with you,

I'm emailing from Savusavu .This morning, the wind is quite strong outside and cold air but I praised the Lord that we made it to another new morning.

Yesterday I was sharing the good news to some Gilbert Islanders and we shared some melons together. After a long sharing they finally accepted me to come over to their Island to share more of the truth that we have. I was happier then they can imagine.

Two weeks ago my Aunty decided to join us for the first time on our Northern trip. She is my mum's younger sister and also a widow and we have been sharing the truth with her about the sabbath since her arrival in the North. We have been praying that one day by God's grace she will accept the Sabbath. The first week we were in Labasa and the second week we were in the farm. She has been with us for about two weeks and next week we should be heading to Suva for the next combined fellowship with other God-head believers.

We came down from the farm on Tuesday and Lily and my Aunty were busy selling Max, our son's melons while I went around the town doing our master's business and checked on them.

Last Sabbath the church in Labasa and the church in Savusavu had our combine,we hired a van and the rest of the members travelled by their cars.After lunch we went and visited an Indian family and we shared the good news and sung a couple of songs and prayed for the family.

While I was sharing and giving out tracts I came across some interesting listeners with whom I shared the truth of the Sabbath, and some admitted that the Romans had changed the sabbath .

Brother, once again thank you for the great work that is happening there and please thank the church again for their continuous help, appreciated so much.

God be with you and wish all RM members over there a blessed preparation day from us all. Regards brother Eddy
your fellow servant in Christ.
