### From Pr. Naikchristian, India

Greetings in the name of our lord and Savior Jesus Christ. I appreciate your prayers and support for the Hindu and Muslim and Christian people who were highly affected with the floods in India. We were able to feed many children, widows and poor people who were suffering with no food during this flooding time. They were unable to cook anything because they didn't have anything in their homes to cook with because the high flood waters came into their houses and took everything away. But thanks to Restitution Ministries who opened their hearts to help these poor people with rice and curry and curd and also chutney. There were nearly 300 people that were helped.

Restitution brothers and sisters thank you so much for your prayers and support for Indian mission work. God has reached all these people with his gospel and all these souls heard about Jesus as well as physical food along with spiritual food.

God bless you, Paster Naik Christian from India

Dear Servants of God at RM,

Receive our greetings once again in Jesus our Lord. We are fine and still committed to make disciples of Jesus Christ among all people, communicating the everlasting gospel in the context of the Three Angels' Messages of Revelation 14. Sister Ellen White wrote in 1912, "As the rays of the sun penetrate to the remotest corners of the globe, so God designs that the light of the gospel shall extend to every soul upon the earth... His kingdom will not come until the good tidings of His grace shall have been carried to all the earth."

Dear brethren at RM, the work of evangelism is going on well and the bibles we bought are now being used by the souls whose desire is to know the truth and read the word for themselves. We are still going to the high ways and in the byways opening eyes and nurturing souls God has given us. I can't remember, but it reads, "No matter what we have to meet, what opposition, what effort to turn souls away from the truth of heavenly origin, we must give publicity to our faith, that honest souls may see and hear and be convinced for themselves... Learned men have taught the people tradition till they are full of unbelief and prejudice. Yet we must say to those people; "Come and see" (John 1:39).

You remember the group that still believes in sabbaths and holy days contained in ordinances. They organised for a meeting on Wednesday last week and invited us. I was accompanied by Brother Kennedy. We had a good time of studies and we took them through Colossians 2:14-16, Ephesians 2:15 and Leviticus 23:1-44. They told us that they were members of "Eleventh Hour Ministry". They believed in the doctrine of holy days and new moons without a thorough study like we did with them. They learned about trinity recently and they have requested us to continue visiting them so that they can be firm on the truth about God. Books on Why the old Covenant Failed, and Feast days and the Sabbaths are they still binding? will help them a lot for we left them copies for their reading and learning.

This is a bible study class we have in Eldoret. Brother David is doing a good work and their Sabbath fellowship is moving on well. This was on the Sabbath they came together for fellowship. Your support has been helping David and we need to do a lot because this is a dedicated brother. The books brother David took to Eldoret are finished and soon I will be sending him more.

Last week I mentioned about Brother Robert. Robert is coming up good and he can teach the end time message and the keeping of the fourth commandment without fear. He is also improving in his knowledge of presenting truth about Godhead, Jesus and the Holy Spirit. There are people who believe in good doctrine but they can't perfectly present it before the audience. Robert is improving on that. Robert was a pastor in the Baptist church, but the message changed him. He embraced this truth and he is now taking us around his former friends in faith so that we can teach them too for they are deceived.

Here is Brother Ashton and Robert after the class. Working with Robert is advantageous to him also because he is learning so that when the time comes to post him in a certain place he will feed souls with the bread God wants us to feed His people with.

We are taking this group through prophecies and the change of the Sabbath. We are studying Daniel 2 and 7. I printed them a picture about the image of Nebuchadnezzar's dream in Daniel chapter two and Daniel seven. We have brought them to a point of seeing this evil spiritual power (Catholic Church) and how she has deceived many souls and drawn apostate churches on her side. In our coming studies, we will also be dealing with trinity deception, a doctrine that its origin is pagan. Books on True Sabbath keeping and Rome's Challenge is helping them understand the truth.

If you can also remember this group I mentioned last week in the house of brother Otieno and Patrick. This was on the Sabbath. It is another home church we thank God for. But this brother Otieno is helping us open other fields by introducing us to other friends. Even though this group now understands the Sabbath, the trinity is still a doctrine we are exposing so that they can clearly see its errors. The book on who is the third person of the Godhead is helping them.

Dear RM Team, apart from having new groups and introducing the Word to new people, we have maintained the groups and individuals God has given us and they are reading books. Another thing that is coming up is that those who have tested the goodness of God's truth want this truth reach their friends and their former church elders and leaders.

Where we have reached, the work is no longer that of one individual man, but a combined work of many dedicated men. Let us remain faithful to God and the Bible our only creed of faith and practice.

*"Gird on the armour, and fight manfully the battles of the Lord. Christ will give grace to those who are hunters and fishers of men."*

Thank you everyone that is reading our updates and praying for us.

Benard.

The intercession of Christ in our behalf is that of presenting His divine merits in the offering of Himself to the Father as our substitute and surety; for He ascended up on high to make an atonement for our transgressions. {FW 105.3} Amen

In 1912 Sister White said "the wickedness of Chicago is as the wickedness of Sodom and Gomorrah".

Today this could also apply to Sydney, San Francisco, Suva, Shanghai, Stockholm, Sofia, or St. Petersburg.

We all want Jesus to come again sooner than later, how can we hasten His return?

“Long has God waited for the spirit of service to take possession of the whole church so that everyone shall be working for Him according to his ability. When the members of the church of God do their appointed work in the needy fields at home and abroad, in fulfillment of the gospel commission, the whole world will soon be warned and the Lord Jesus will return to this earth with power and great glory. "This gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come." Matthew 24:14.” {AA 111.1}

The Greek word “Agora” in the New T is translated “market” or “marketplace” or streets.

Luke 7:32 “They are like unto children sitting in the marketplace, and calling one to another, and saying, We have piped unto you, and ye have not danced; we have mourned to you, and ye have not wept.”

Acts 17:17 “Therefore disputed he in the synagogue with the Jews, and with the devout persons, and in the market daily with them that met with him.”

Here in Korea they have a 5 day public open market system. The nearby city where we live has the market day every 1st and 6th, 11th and 16th etc. They go to another village or town on the 2nd and 7th, 12th and 17th and the 3rd and 8th and 13th to yet another city. Last Sunday went to Oak Chun and it was market day, so the streets were filled with people and produce.

Stood up on the stairs of a small bank right in front of a man selling fish. Began to ask the passers-by the questions Jesus asked

Luke 11:11 “if a son shall ask bread of any of you that is a father, will he give him a stone? Or if [he ask] a fish, will he for a fish give him a serpent? 11:12 Or if he shall ask an egg, will he offer him a scorpion? 11:13 If ye then, being evil, know how to give good gifts unto your children: how much more shall [your] heavenly Father give the Holy Spirit to them that ask him?”

Many came and went but one lady was standing around listening I could tell the words of God were convicting her, she was pretending not to listen. I wondered why she stood there listening so long finally her husband came out of the bank she was waiting for him, I think the angels kept him long in the bank so the lady of the house could hear about Jesus. Later moved in front of a man selling Chinese cabbage and onions, told the people Lev 17:11 “for the life of the flesh [is] in the blood:” and reminded them that to have good blood we must breath deep and eat nutritious food like Cabbage and onions and not pork and lobsters. The Cabbage owners were happy that I was advertising their products. A man selling hammers came over and asked for a tract. People thought I was selling something. I have a small tract in Korean about the resurrection printed in black and white with contact info on the back, see pictures; these can be printed very cheap, so I can put them in mail boxes too. Of course some costly big tracts or books we do not want to just dump in mail boxes they are better to hand out in person.

Finally saw three ladies who were standing on the street pounding cymbals and drums and protesting for the last 3 months about a swindler lady who worked at a public bath house and borrowed lots of currency from many in town and then flew the coop. The ladies were upset that they had been deceived. This also was providence. Because when I told them that Jesus died and reminded them that the rulers said he did not really rise from the dead but that his disciples came and stole him at night. The bold print heading on my tract is “He is not here He is risen”.

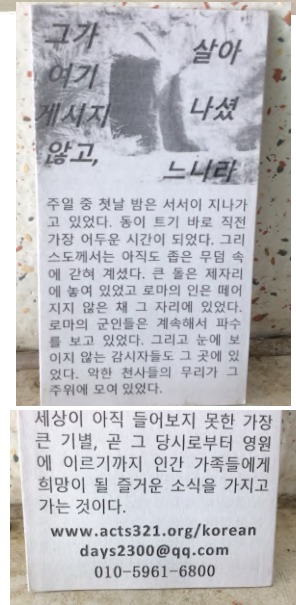

Matt 27:63 “Saying, Sir, we remember that that deceiver said, while he was yet alive, after three days I will rise again.”

I told the ladies this is true. He really did raise from the dead, they were eager to get the tracts.

“Publications must be multiplied, and scattered like the leaves of autumn. These silent messengers are enlightening and molding the minds of thousands in every country and in every clime.” --Review and Herald, Nov. 21, 1878.

“Scatter them like the leaves of autumn. This work is to continue without the forbiddings of anyone. Souls are perishing out of Christ. Let them be warned of His soon appearing in the clouds of heaven.” -- Review and Herald, Aug. 13, 1908.

Please keep on praying for Indian mission work and supporting the work so that we can reach many souls before second coming. Thank you so much all the brothers and sisters for your prayers and support god bless you, pastor Naikchristian from India.

My mission update.

Dear brethren at R M.

Receive much greetings in the name of our Lord Jesus Christ. We hope that you are fine and other bible workers in other countries as well. The work of God is going on well and we give thanks to God for His grace. We are reaching souls with the end time message encouraging them to observe all that Christ commanded as to do.

The truth is settling in peoples hearts. So many that we are reaching are pulling out of the fallen system and forming home fellowships. They give us testimonies that they have been missing the blessing that our Father has given unto us on His blessed Sabbath day. Groups are coming up every day We are happy with the truth that was once delivered unto us.

In our country brethren, things to do with covid 19 is calming down so now every field including markets, schools, prisons and other institutions are available for us to take the message now. As soon as the schools are re-opened, I will be going to teach this truth into one of the schools that I had before. We are now going to be even more busy.

People are enjoying the truth, our work is to give them a thus says the Lord. Every one needs to be proven unto God 2 timothy 2:16. It's shocking that there are so many Sabbath keeping groups in the world but they don't have the whole truth. Like last week we visited one of the groups that are Sabbath keepers but they are still keeping and observing the ceremonial laws. We had to take them through Leviticus and teach them to be able to know the difference between moral law and ceremonial law. We thank RM for the truth that we have.

Some good questions came after a student had been studying the bible. So many are asking, how can I have this truth, why is this truth hidden from us. We are happy to lead them into the biblical truth.

Here are some of our meetings.

The first one is our newly formed group that we will be meeting every Friday. They are good students of the bible with questions and always need biblical proof.

They are one of our Sabbath keeping groups. They are now settled in the faith. They run meetings even without a teacher. We thank God for His work.

This is another group that we have had two meetings with this week. They were also still holding to the ceremonial law.

This is Fednant doing his studies. I thank RM for the support. I am now paying his rent and supporting him in the field as he is working for God reaching souls and making groups in new areas.

As we know brethren, you cannot be everywhere at the same time but people are all around us and the message needs to be given to them as well, so we need to use the small amount that we have to reach many as we wait for the end because it is nigh.

Thank you so much for your support God bless you all.

KENNEDY.
