

Weekly Testimonies

From Stefan, South Korea

The great controversy is nearing its end. Every report of calamity by sea or by land is a testimony to the fact that the end of all things is at hand. Wars and rumors of wars declare it. Is there a Christian whose pulse does not beat with quickened action as he anticipates the great events opening before us? The Lord is coming. We hear the footsteps of an approaching God, as he comes to punish the world for its iniquity. We are to prepare the way for him by acting our part in getting a people ready for that great day.

My wife and daughters packed me a nice Sabbath lunch and after breakfast I drove about 40 minutes to one of the most famous mountains in Korea called Song (long o) Ri Mountain. Attended the RM on line zoom service while sitting in the lobby of the Lake Hills resort. Now is the peak of the exquisite, beautiful autumn leaves in Korea. Some trees have green, yellow and many shades of red all on one tree. Song Ri mountain was packed with people (see pictures).

The truth must not be muffled now. Plain statements must be made. Unvarnished truth must be spoken, in leaflets and pamphlets, and these must be scattered like the leaves of autumn.-Testimonies, vol. 9, p. 231

Asked some students to help me write some more on my white board. They were shy to take a picture.

From “Desire of Ages” wrote the following. “Everything in the world is in agitation. Who can read the future? Where is security? The crisis is stealing gradually upon us.” The Covid pandemic is a great opening wedge to start a conversation since everyone 24/7 is hip to it.

Addressed the passersby as follows “Ladies and gentlemen there is something more deadly than CV and that is smoking drinking coffee and junk food.” Many parents children grandparents and grandchildren came to see the autumn leaves. Made an appeal to the parents and grandparents

“If you really love your children you will not give them junk food and candy etc”. A lady with her 3 girls eating cotton candy walked by, cotton candy is just pure sugar and pink and green dye. Said to them cotton candy will make unhealthy blood and apple and bananas are better. The adults give me a thumbs up and the children give me a disgruntled look. That lady and her daughters walked by me thrice during the time I was there and the last time after gingerly wooing them to a more healthful plan of eating they all promised that today was the last time for them to eat cotton candy.

I praise God for the opportunity and privilege to point others to Jesus.

Though they may refuse to hear, your efforts will not be lost. In the effort to bless others, your own souls will be blessed. {RH, November 12, 1914 par. 9}

From Benard, Kenya

Dear brethren at RM,

Grace be unto you and peace from God our Father and the Lord Jesus Christ. We are fine dear beloved brethren and the work is going well. We are always on the move sharing the word of Life (Three Angels Message) God has revealed to us. THANK YOU dear brethren who are supporting the Word worldwide. Here in Kenya, the success of the work we are doing is because of your love to see souls in God's kingdom. I take this opportunity to THANK YOU RM for resurrecting market evangelism which will resume soon, thanks to your support\donation which we received. The funds you sent will enable us to assemble Public Address System and a process to look for a used vehicle. THANK YOU VERY MUCH.

This was brother Javan and his wife on Friday, a pastor at a church called Word of Reconciliation Church. The word brought us together two years ago but he did not take me seriously because of the position he had at his church. I met him again a week ago in town and he requested if I can visit him in his house and study the word with his wife. I visited him last week on Friday at his house and we had two hours of bible study. He promised to share with his church if they can give me a chance to teach them every Friday afternoon.

This was on the Sabbath at Brother Elias place. Brother Elias invited us (Kennedy and me) to visit them and encourage this Sabbath group which is committed to follow the Word of God. This Sabbath group is coming up good and it is our prayer that this group will continue to grow. We studied about "How Important is our obedience to God". This Sabbath group will continue to meet at Brother Elias house before we get a place for them.

This is a group in a place called Navakholo. There are three brothers here who believe the message and they meet in this house behind every Sabbath. They were baptized last year and still keep the faith. Brother in black coat is Brother Moses who is helping us with the work in this region. We learned many things with them including the law, Sabbath and our difference with SDA faith. This meeting takes place every Tuesday and Brother Moses is their teacher when I am not available.

This was afternoon (Tuesday) meeting. The church is called Agape Church. One of our brothers who was a member of this group connected us with pastor of this church and he arranged for me a meeting. The message was about Religious Deception. There were many questions that were asked by members of this denomination among them were questions about Christmas, Baptism and I explained to them about apostasy in Christianity and how apostate protestant churches have fallen by rejecting God's truth on Law, Sabbath and worshiping strange gods among them in the name of Trinity. My time with them was a big blessing and they asked me to set aside for them Tuesday afternoons for special Bible studies.

Dear brethren at RM,, sometimes we don't write many words but indeed we have busy schedule with students of the word. And we thank God because you understand and thank you brother for being kind to us. You are helping us take care of our families and the Work God has called us to perform. We thank God for you, and we THANK you for everything, what we don't have now our God will continue to provide for the glory of His Word.

THANK YOU OUR KIND BROTHERS.
Kind Regards.

From Eddie, Fiji

Good morning from Levuka which is the old capital of Fiji.
Last week was a very busy week and its was a blessing to conduct the sermon during a wedding in a very big church consist of 500 people.

I was asked to conduct a sermon so I knew this is the opportunity to tell everyone the sabbath truth.

I started with two institutions that was initiated by God from the garden and those two institutions was attacked by the devil and it's the 7th day sabbath and marriage.

After the service, I was suprise at the positive response from the members, they said, thank you for the message and i just praise God and give Him the glory.

We spent time photocopying more tracts and we are here in Levuka.
Levuka is probably 70 percent population belong to Catolic denomination. The 2 first bishops of Fiji was buried here in Levuka. We are just giving out tracts and giving out bible studies too in town.

We will be doing a health presentation this afternoon since this family really needed it. We are staying here with a Catholic family and they say that they are so blessed we are here since the husband was sick for 6 months. He really need us to teach them how to eat healthy.

We do praise God for the opportunity and we were asked to return for more health presentation here in Levuka. We are trying our best to reach out to more islands here in Fiji.

We also praise God for the bible study that is going at University by Dan and Meli and we have about 20 students attending the study. Marvic Patricia and Lily are here with me at Levuka.

My wife and Patricia are doing health while Marvic and I are giving out the gospel message.

A female student in our bible study group asked us if she can take the gospel with us. She said that, what good will all this education will do when the time is short and it's best she helps in taking the gospel. Please remember her in your prayers, her name is Laisa.

Please remember all the students who are attending the bible study at the University. We have given them the bible study for the sabbath topic, and most of them were shocked and some disagreed.

From Pr. Naik, India

Dear brothers and sisters greetings in the name of our Lord and savior Jesus Christ and the only one true God.

Thank you so much for your prayers and support.

We had a wonderful interdenominational pastors meeting with 60 pastors and we had a wonderful discussion about the Trinity, the Ten commandments of God the heavenly Father and His mighty Angel,s down in the meeting hall.

I was able to answer every question of the pastors from the Bible. They are very happy and God gave them the wonderful understanding about who is God and also about the Trinity and why we need to keep the Ten commandments of God.

Thank you so much Restitution brothers and sisters for your prayers and support.

God is using me as His mighty instrument in Hs loving hands in India.

Please continue to pray and support may god bless you all.

Brother Naik Christian.
