

Weekly Testimonies

From Elius, Kenya

Greetings in the name of our Lord and Saviour Jesus Christ. Dear brothers and sisters in Christ I am so happy to meet you through this email. We have several meetings in a week we are ever busy. We have wonderful meetings among the village people those who are accepted Jesus Christ the only begotten son of GOD and it is really amazing how GOD is working in village ministry and reaching many village people with the end time message [Three angle message] You see more of the pictures here in the meeting [mission follow-up]

Brother Patrick's house which is our meeting place at Khakula village. Patrick is the one at right hand with blue shirt followed by John who is with blue singlet next to brother Ken with Zebra T-shirt, followed by sister Linet and sister Damarice at the center of young kids who is Patrick's wife. This class is live since 2018 to now. (old in faith) We have a group worship with them and preparing their souls for meeting second coming of our Lord and savior Jesus Christ. We are having general Sabbath meeting in my house with them. (meeting on every Tuesday)

Brother Danick and sister Peris joined our studies in 2019 and I have shared with them several studies and also I gave them several literature books as they study for their own benefits and share with others. This class had 10 members who backslide and now remaining with only 5 active individuals. We have reshuffled it and I know that God willing it will gain its stability. Meeting on every Thursday (we also have general Sabbath meeting at my place)

Brother Nabiswa and sister Doricus. I have maintained them through studies from 2019 November to now although we faced a lot of challenges. A few that used to come to the classes went back to Sunday worship as now we have reshuffled the meeting in house on Wednesday. I have given them enough literature books and they are going through them.

Brother Francis is one of our oldest students since 2018 January to now. He is the one in sky blue shirt on the right. Eliud is the one in white. These brothers are honest and also have passion in evangelism as they are forming new groups that we are reaching them. (have meeting on Friday)

Generally I am having brother Patrick taking care of Khakula group. Brother John care taker of Namisi group. Brother Francis taking care of Mufule group.

Back to the beginning of their history, to the call of Abraham in Genesis 12:1-3, we find God did not call Abraham primarily to give special advantages or blessings to him and his family. It was rather that as Abraham obeyed God, God would teach and train him so that he and later his family could be an example to other people and could teach them about God. To obey God is usually hard and demanding but it does, of course lead to blessing. So Israel had been called by God to be the light of the world but she kept her special knowledge of God to herself by her exclusiveness. It was like hiding a light under a bed or in a cellar rather than letting it shine forth to guide people in the darkness. As a result of her exclusiveness she was now unable to see God. Fish which live in the depths of the ocean where there is no light, have lost the capacity to see. God had come among the Jews in Jesus and they did not recognize him. They were rejecting him.

Today there are many all around us who have heard but have not responded to the gospel of God's love. Jesus says such people are spiritually blind. We are usually moved with compassion when we see a blind person we want to help. If someone cannot see well he is sent to an eye doctor to have his eyesight tested and improved if possible. Here Jesus asks us about our own spiritual sight. Can we see God and his working in the world around us or are we in spiritual darkness? Jesus said I am the light of the world (John 1:5 and 8:12). He comes into our lives to bring enlightenment to us not only in religion but in every aspect of our lives. Then he says we can reflect his light to others just as a mirror does. (see Cor 3:18)

Sabbath meeting in my house. We had a very wonderful meeting. Topic discussed was based on Christ object lessons page 230 (SAYING AND DOING) AS COMPARED TO THE LAST TOPIC [MATHEW 21-23-32] THAT WAS THOUGHT BY MY BROTHER BEN CONSERNING = OBEDIENCE TO GOD. THE MEETING WAS VERY CHEEFUL. CARE TAKERS RECEIVED BOOKS FOR PERSONAL GROUP STUDIES .

Finally I think RM for your prayer as we continue with Kenya mission work, GOD bless
Thank you, witness ELIUS.

From Benard, Kenya

Dear beloved brethren at RM,
May God bless you dear servants of God. We are still crying loud and showing God's people their transgression. Souls that God has blessed us with are improving in the word. Sabbath fellowships and home churches are doing well. I am still printing books and this time I might need your support to print more because of the team of bible workers we have and each person needs copies to help them in the work.

You can remember brother Javan. A pastor who promised to bring people on Friday? He managed to bring a few. We thanked God for the few that came, and they promise to continue with studies every Friday. Being my first meeting with this group, the message was simple "Religious Deception". Christianity of today feels that they will never under any circumstances be cast off, or rejected by God, no matter how disobedient and unfaithful they are. They are so blinded by a set of carefully guarded doctrines in church books and worship their churches, and people have believed that the system itself is the truth; therefore they believe that being a part of the system they have the truth. Inside them, they deceive themselves that they are rich and increased with goods and in need of nothing (Rev. 3:17). Deception is everywhere; the faith that was once delivered has been corrupted, the poisons of false teachings have been mixed with true doctrine to make it look like it is true (Jeremiah 50:6). Pray for them to have the desire to learn.

The Sabbath (14/11/2020) fellowship in Eldoret. We visited this Sabbath group God has blessed us with in Eldoret which now keeps Sabbath. Our study was about “The Doctrine of Trinity”. These faithful wanted to understand “Trinity”, a doctrine that appears nowhere in the Bible. Also, the earliest Christians were not aware of. Scholars and pastors may say what they wish, but if the trinity is to be taken seriously, it must be justified in scriptures.

We analyzed bible passages citing the Father and Son relationship and found no support for the trinity concept. The purpose of our study was to show the importance of having a correct understanding of God, who He is, and His character. We are also advised in the scriptures to have a good understanding about the Father and His only Begotten Son Jesus our Messiah (John 17:3). Other points we also took enough time to clarify was on the deity of Christ and the Holy Spirit.

My appeal to the ministry is to consider support David with the work in that region.

I gave them books to help them in the Word.

This was on the Sabbath (14/11/2020), in Eldoret. You can notice two crippled brothers. If God can bless us in future we can support them if possible. Brother in black coat is brother Hosea. Hosea is a widower, his wife died two years ago and he is also in need but a good student of the word.

I was in this denomination last week Sunday and they invited me again on Sunday (15/11/2020). Our study was about “The Cases of all are being decided”. It is a study that talks about judgment to come, and God will not judge His people by some rules that have been unknown on earth. Therefore, the standard of the judgment is the Ten Commandments (James 2:10-12, Ecl. 12:13-14) and we must not enter into judgment ignorant of the very standard by which our lives will be measured and weighed. The study enabled us to look into the Ten Commandments (Exodus 20:1-17). We also looked at “Law and Grace”, where we learned that, God’s law and His grace are not in competition. Our obedience to God’s will as expressed in His law is the natural fruit of our salvation. Those who are violating God’s law are not under grace. They are under the condemnation of the law, and thus guilty before God. Thank you our brothers in faith.

May Almighty Father abundantly bless RM Family.
Shalom.

Brothers and sisters greetings in the name of our lord and savior Jesus Christ the begotten son of God. We had a wonderful pastors meeting and also believers meeting in different places in India teaching them and explaining to them about the prophecies and the Sabbath and also the sonship and other doctrines. It is amazing that when people come to know this wonderful truth and they ask lot of questions about their doubts, God has given us wonderful time to share with them and show them the answers from the Bible.

These pastors have been Sunday worshipers and believed in the Trinity and secret rapture, and other false doctrines, but God has given me the wonderful time and opportunity to share the truth and ask them to examine their believes whether it is from the Bible or it is from man. When they examine themselves where they are and what kind of faith they have and to whom they are worshipping it is really leading them to come back to God and understand about sonship and one true God. India was deceived many years ago by the Roman catholics and the Sunday law but now God has given new opportunities to reach and to preach and expose all false doctrines, false teachings by Restitution Ministries through me.

The heavenly Father is rejoicing with his mighty angels in heaven when this people questioning and reasoning and understanding the facts which is from the Bible.

I am so thankful to restitution ministry for your prayers and support go and preach the truth with the pastors and with the believers in different areas with the interdenominational asters. May god bless you restitution ministry and all all brothers and sisters were supporting to restitution ministry please continue to pray for training school building so that we can give training to many Sunday believers and elders and pastors in one true God Truth.

God bless you all .

pastor Naik Christian.

And, behold, this day I am going the way of all the earth: and ye know in all your hearts and in all your souls, that not one thing hath failed of all the good things which the LORD your God spake concerning you; all are come to pass unto you, and not one thing hath failed thereof.
Joshua 23:14

From Stefan, Seoul, South Korea

52% of South Korea's population is in Metropolitan Seoul. This week came to Seoul for 4 days for outreach. Masks are now mandatory here. While walking down a street noticed a building which is one of the headquarters of one of the biggest world wide cults. See pictures. They are known as Moonies.

“Men and women are wandering in the mist and fog of error. They want to know what is truth. Tell them, not in high-flown language, but with the simplicity of the children of God. --MC, pp. 39, 40. (1902)

Also visited the biggest Mosque in Korea and had a 30 minute talk with a Imam from Turkey. He has lived in Korea for 25 years. We chatted together in Korean, English and and a little Arabic. His name is Hussain. I mentioned/asked him about the Quran saying that there is great light in the Gospels and the books of Moses, he admitted this is right. He took four pieces of my literature in Korean and English. Pray for Hussain and the 1.8 Billion muslims around the world that they may know the truth as it is in Jesus.

Also on the street met 2 famous news reporters filming and advertising, and was able to give them a short health talk which they promised to put up on the news.

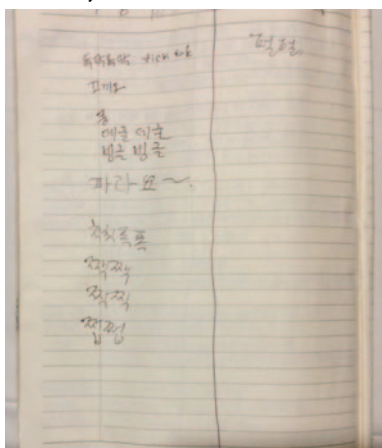

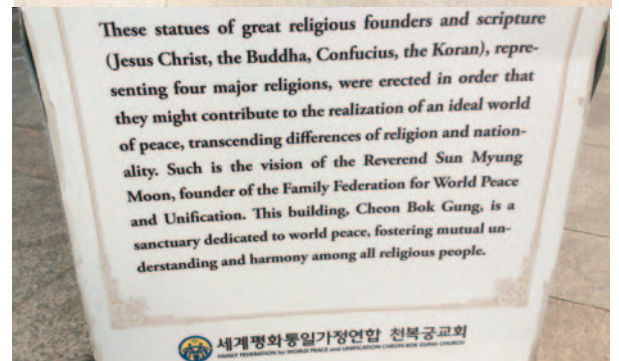

Also started going shop to shop and asking people to write down for me some onomatopoeic words and mimetic words which are very rich in the Korean language. Most people are more than happy to write down some words then they receive tracts much more readily.

Last but not least while waiting for a subway car was faced with a situation which we all face now and then. Saw a stranger also waiting for the subway, had the choice of engaging him or not. What shall we do?

Jesus says , Be not afraid, but speak, and hold not thy peace: Act 18:10 For I am with thee, and no man shall set on thee to hurt thee: for I have much people in this city.”

In my Bible these words are in red meaning they are the words of Jesus. I took courage and went to his side and said, "hello i am from the USA where are you from? He said the UK, that broke the ice we got on the subway together. His name is Anthony. He whipped out his phone to show me some bowls that he makes with his own lathe. He took my tracts and i may never see him again on earth but i hope to meet Anthony on the sea of glass. Please pray for the city of Seoul.

thank you, Stefan
