From the Mission Fields

From Lily, Fiji

Good morning brother Neville..praise God for brother David's recovering news.

Since Sunday we have decided to fast for our families restitution ministry health issues and many more.

I woke up on Sunday and i just feel like i was carrying abit too much and i was too weak and i felt that nothing else will help but to fast.

I told Eddie, that i will be going to the church site and just have my quite time with God.

I sat at the church area from morning till afternoon just praying and praying and reading his word.

I was just asking God to speak to me on what i was going through and i open His word and it was Psalms 109.

I started to read the whole chapter and it was just exactly what we were going through and to the 3 last verses it says
Psalms 109:29-31

29 Let mine adversaries be clothed with shame, and let them cover themselves with their own confusion, as with a mantle.

30 I will greatly praise the LORD with my mouth; yea, I will praise him among the multitude.

31 For he shall stand at the right hand of the poor, to save him from those that condemn his soul.

On our 3rd day of fasting which was yesterday,I saw that God was putting things in order the way i wanted and that just encouraged me ti continue.

This walk was never promised that it would be a easy one but we have witnessed the work of God and He will continue to perform if we continue to trust that He will do it.

I praise God for all my sister's and brothers around the world, for all your prayers and support.

I truly thank God for such a wonderful family of God we have and lets continue to pray for each other and especially to those who have been afflicted that our great Physician will grant full recovery.

Stay blessed

I love you all my sister's and brothers in Christ

Bless you brother Neville Tevita

Hello brothers and sisters at RM, much greetings in the name of our Lord Jesus Christ. We hope that you are fine.

We are happy to share with you what the Lord is helping us do accomplish here in Kenya. By the grace of God, we are reaching people with the end time message, by using scriptures, bringing them back in the bible and pointing them to the cross. We are reminding people that we have to fear God and keep his commandments because the bible says that it is our whole duty.

We had a good Sabbath day last; we formed another group in Tranzoia County. They are brothers and sisters that we are welcoming on the road of finding truth. We share a lot with them about the true church, differentiating between a church and denominations. We also printed few copies of studies about the topic and by the grace of God, next Sabbath we will look at the second coming of our Lord Jesus

They are ever happy and smiling brother and sisters in Christ from Mumias. We have been having good bible studies with them now two times after few months without visiting them. We re visited them on Friday and they were happy to see us and to know that we are back in the field again.

These three brothers have a very funny story. The one in the middle invited us in their church last Sunday. We went as per their invitation and we presented the word of God to the group. In the middle of the talk, Elias mentioned about secret rapture and explained that it is not biblical.

The guy with glasses was not happy at all. He went on and asked who invited us, from which ministry do we come from and who send us. When we told him that we are working for Christ, the guy went out of the building and he stayed outside until the lesson was over. For sure, truth is like a lion, it defend itself always.

You may think that they are tunnels, no, they are not. In one of the church in Kenya called Israel, those who are ready to be baptized pass through those tunnels, from one end to another. By so doing, the act of baptism is over. I was shocked. God loves his people. Now we are having one member from that so called church and we are taking him through the study about baptism and we hope that he will be a good agent of Christ and he will connect us with many from that group.

Brothers and sisters, we are happy because after last meeting that we had, we posted and told all student country wide that we are back again. Due to that, we are having a trip to Kisii next Sunday and we are going to spend one week over there for a seminar and field evernjelisim. Our target is now doing the whole country. We visited the radio station that we were using before and they are ready to give us a program again. We are praying that may our God provide for His work of brining his people into the light.

God bless all.

Yours in Christ, Kennedy and Elias.

ABOUT RADIO PROGRAMME.

Last Friday, we had a follow up for the groups that we formed as we were doing a radio station Siaya . We had really good time with them especially after missing each other for a long period. All groups are still in truth despite not going there for studying and teaching them.

We had formed several groups in Siaya County due to the impact of the radio program. Brethren, the radio helps to reach many at a time.

We have proven it and its very interesting because the time we are presenting a study on air, people ask question that they have because they are not under any body like pastor or a church leader. Another thing is that it gives us easy time to gate phone conducts and thus after the program, we go in the field for follow ups and make study groups.

We visited three groups before going in the radio station to see if we can still have a program with them. They are good people and they promised us that we are going to have weekly programs when we will be ready.

Below are our radio program groups;

Last Sunday I decided to track with the counsel below and visit some out-of-the-way places.

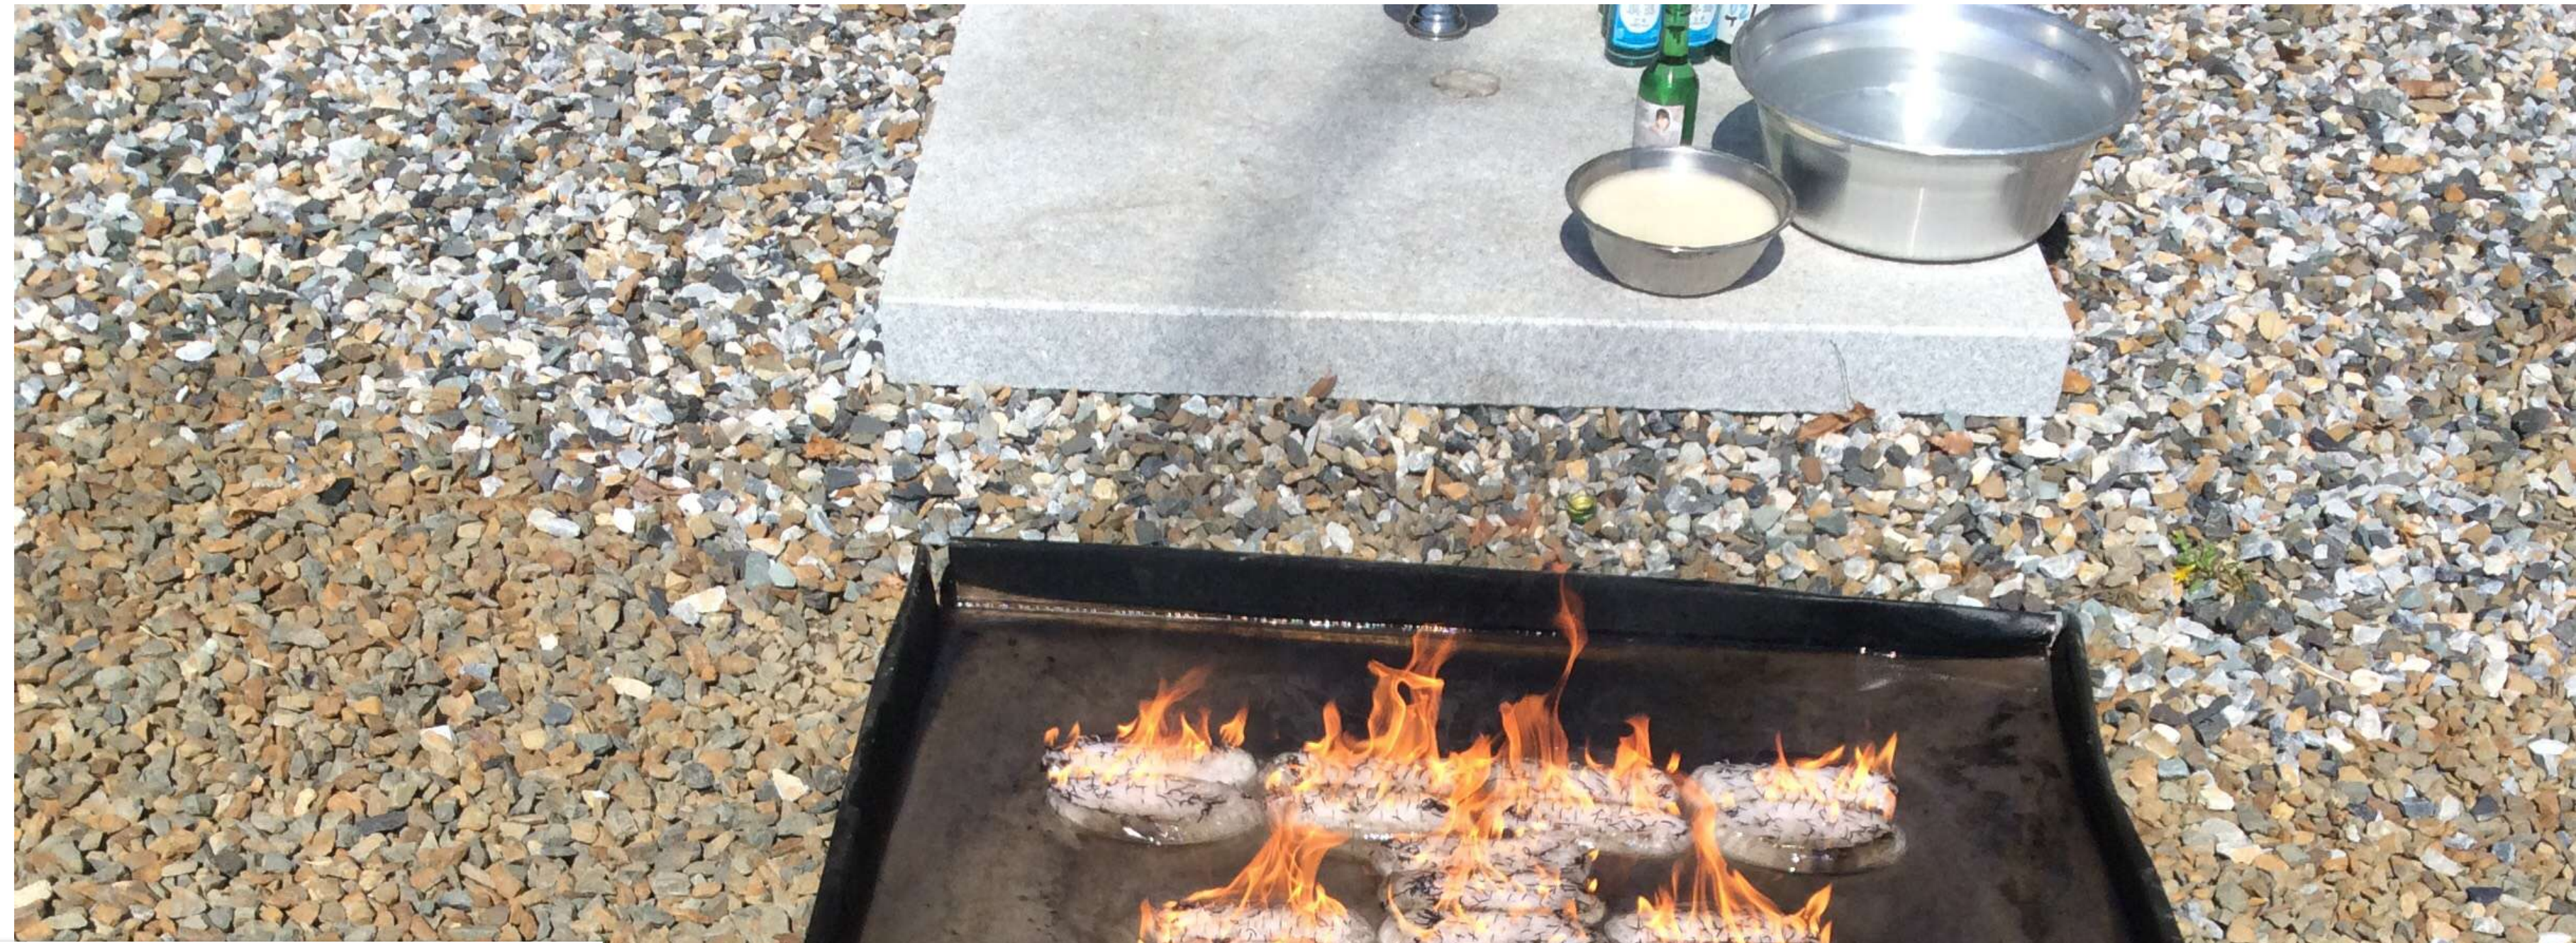

“Books will reach those who can be reached in no other way,-- those living far from any large settlement. I call these the byway hearers. To such ones our canvassers are to carry the books containing the message of salvation. Our canvassers are to be God's evangelists, going from house to house in out-of-the-way places, and opening the Scriptures to those they meet. They will find those who are willing and anxious to learn from the Scriptures. . . . I greatly desire to do all in my power to reach those in the highways and the byways.-- Letter 155, 1903.

The first 2 homes were not interested, then the 3rd house bought a GC, then met a group of bikers packing up in the morning getting ready to go. Had a nice spiritual talk with them and gave them some books containing the message of salvation.

Later that morning 3 shaman exorcists performed a satanic ceremony praying for the child of a couple that he would do well in school. They were bowing to an idol and with the Chinese character of heaven in fire

Isa 60:2 For, behold, the darkness shall cover the earth, and gross darkness the people:

Continuing farther down the road to another out-of-the-way place, the dog was barking and a Mr Suh came to the door with his chopsticks. He was eating lunch, seeing the clock time 12:11 reminds me of Rev 12:11. He insisted that I come in and have coffee, so went in and he made me some roasted barley tea. I asked him as a young boy if he had any religion in his home. He said " yea Toh Zhong religion" , worshipping trees and rocks and the sun or anything in nature. Told him that instead of worshipping the sun we are called to worship the Creator who made the sun. He bought 3 books and I asked him to explain the picture on his wall.

Tuesday on the way to Ok Chun to do street preaching on market day, I felt impressed to go a little further down the road of the out-of-the-way places, and came to a quaint out-of-the-way restaurant. The lady that greeted me her family name was Kim which is the most common family name in Korea. But her name looked peculiar " Iya". I asked her in Japanese are you Japanese? She said no, then asked in Chinese are you Chinese again she said no. Then she said I am Russian. There are many Koreans who were born in Russia. So I began to talk to her in Russian. She was very happy. Luckily there were no other customers and it was early morning. We sat down and began to talk. She is a Baptist and loves the Lord and has an 11 year old daughter. She has been in Korea for 11 years.

She bought a GC in Korean and gave me her email so I am sending her the GC in Russian a few paragraphs at a time copy and paste to whet and sharpen her spiritual appetite. I prayed for her and her daughter Hanna. After the prayer she said " Oh that is strange, this morning I was thinking I wish a Russian would come so I could talk with him and now you showed up" I then reminded her about our invisible angels.

Did some street preaching on health at the bus stop to a captive audience. People who have not been born again need milk not meat.

“I can see in the Lord's providences that the medical missionary work is to be a great entering wedge, whereby the diseased soul may be reached.--CH, p. 535.

Looking at expressions on the faces of people we can tell if there is a connection or disconnect.

At Noon prayer time went to this stadium to walk and pray. Saw at a distance this old grandma in a tortoise type gait coming toward me and remembered the Torah "Thou shalt rise up before the hoary head, and honour the face of the old man, and fear thy God: I [am] the LORD."

So I went to the nearest bench and sat down then when she passed by I rose up and greeted her like Daniel " O king, live forever, but said grandma instead of king. Then I said to her I am 65. Are you in your 70's? She let out a sigh and told me she is 100. So told her that Adam lived to 930 so she is very young in comparison. She took the 10 commandment card shook her head and sighed again.

Last but not least let me tell you some Bible verses.
2 Kings 13:18,19 “And he said, Take the arrows.
And he took [them]. And he said unto the king of
Israel, Smite upon the ground. And he smote thrice,
and stayed. And the man of God was wroth with
him, and said, Thou shouldest have smitten five or
six times; then hadst thou smitten Syria till thou
hadst consumed [it]: whereas now thou shalt smite
Syria [but] thrice.”

Finally went to the auction to try to sell books there,
but the whole auction was closed. (Smitten once)
Then went to the gymnasium next door for teens
and the guard man was not interested (Smitten
twice) but told me to go behind to another building
where there were many ladies who were
Christians. So went in the building to a teen ager
counselling office, not interested (smitten thrice).
Then across the hall to a teenage activity office
they also were not interested (smitten four times).
Finally on my way out greeted the two ladies at the
door one had a book called "spiritual leadership" on
the table. We talked about Jesus and she was born
the same year I was 3 months earlier, so I called
her big sister, she was happy.
She bought three books and has a son in Tunisia
as a missionary. This reminded me of the words "
Thou shouldest have smitten five or six times;
Pray for us. Stefan
